The ONLY NEWSPAPER Reaching EVERY HOME In The GREATER UPLAND Area

The UPLAND News

SIXTY-SIXTH YEAR—Number 37 UPLAND, CALIFORNIA PRICE 10c Single Copy Thursday, Nov. 24, 1960

THIS ALTA LOMA building will be occupied in the near future by Celanese Corp. of America which has announced purchase of the building and expansion plans for its plastics production. Original operations are expected to require about 100 employees. Manufacturing will be a new blow method of forming containers.

Junior High Honor Roll Announced

In order to make the scholastic honor roll at the Upland Junior School, it is necessary to receive 21 points of a 3.5, per subject, average for quarterly grades. The point values of A,B,C,D, and F grades are 4,3,2,1, and 0 repectively. P.E. and penmanship do not count. On this basis, 50 eighth grade students and 30 seventh grade students made the honor roll this quarter.

Eighth grade students who made it are: Betty Alderfer, Suzanne Angel, Vivian Bailey, Tommy Baker, Carol Bell, Arthur Bert, Pat Bishop, Morris Book, Jo Lynn Bruce, Judy Brune, Susan Burgeson, Eleanor Campbell, Joanne Campbell, Tim Conway, Marty Cosgrove, Mike Cox and Mary Cramer.

Jeanine Dastrup, Robert Dier, Janiee DuBois, Susan Dunning, Connie Engle, Susan Fonda, Claudia Groshong, Paul Hamilton, Dorothy Heise, Susan Hershey, Donna Jackson, Bob Jenkins, Earlene Jenkins, Judith Jordahl, Cathy Kermer, Kathe Kirkland, and Patty Kish.

Diane Larkin, Julie Larsen, Mary Mitchell, Tom Orum, Janis Parker, Marc Piscitelli, Maryann Pitts, James Rupp, Sandy Schiereck, Alice Shelton, Mary Lou Shirk, Rebecca Showalter, Nancy Stevens, Bill Talley, Lee Thomson, Ann Turner, and Jamie Zwissler.

In the seventh grade, Douglas Alair, Cynthia Beiseker, Kathy Brewer, Matt Deal, Charles Dulaney, Bruce Dunn, Lindsey Elkins, Bob Ellingwood, Barbara George, Janet Gerdes and Gregory Harrah make the honor roll.

Also Mary Hastings, Anita Heise, Douglas Hubert, Leila Johnson, Lola Klinger, Michael Magruder, Mary-Ann Mariner, Paul Morgan and Ed Orum.

And Bill Palmer, John Renbarger, Nina Rossitter, Jim Smith, Linda Stout, Dennis Turner, Jerry Vogt, Kenneth Whitten, Don Wilcox and Susan Young.

NEW GIRL IN TOWN

Mr. and Mrs. Roy G. Amick, 409 N. Third Ave., are the parents of a daughter, born Nov. 22 in the San Antonio Hospital, Upland.

Celanese Selects Alta Loma Plant For Expansion

Celanese Plastics Co. announced that it is extending its manufacturing operations to the West Coast with the leasing of a plant in Alta Loma, for the production of blow molded polyethylene containers for packaging detergents and other household and industrial tiems.

David Taylor, president of the company, a division of Celanese Corporation of America, said the new facilities will bring Celanese plastics operations closer to major customers in the Southern California area and will provide room for expansion in the rapid growth field of plastic packaging materials.

The plant is near Upland and Cucamonga. Situated on four acres, the plant provides 90,000 square feet of floor space, including a three-story concrete building which was erected in 1947. The plant was formerly operated y the B. P. Johns Furniture Co.

Taylor noted that production of polyethylene containers has more than doubled in the last two years and is expected to rise to an annual rate of more than 2 billion units during the next five years. He said that approximately 80 percent of all liquid detergents are now being packaged in polyethylene bottles and that use of the bottles is extending to such other applications as bleaches, liquid starches, liquid waxes and polishes, pharmaceuticals, and cosmetics.

Celanese entered the field of blow molded plastic containers a year ago when the Corporation acquired the Royal Manufacturing Co. with plants in Prescott, Ariz., and Chicago, Ill. A third blow molding plant was opened by Celanese in Trenton, N.J. in April 1960. Other products made by Celanese Plastics Company include cellulose acetate film and sheet and polyethylene film.

Upland Short of Goal in Fund Drive

Upland has raised $7,985.37 in collections so far in this year's campaign leaving this community $2,322.63 to collect by Wednesday, Nov. 30, in order to meet the assigned goal.

In a special appeal to the community residents and business people, Rex Wignall, division chairman, is asking each person to give additionally at this time so that Thanksgiving can be a real holiday to those who are less fortunate.

"Let's join the other West End communities in making the 1960 campaign a complete success by filling out the attached coupon or pledge and mail it to the United Fund office this week," Wignall said.

"This will enable us to conclude the campaign by Dec. 1 and assure those agencies in the Fund that we have met our obligations."

Lay Committee Leader Speaks For State Aid

EDITOR'S NOTE: The following article was submitted by Mrs. William F. Fitzsimmons, general chairman of a Lay Advisory committee appointed to campaign for approval of a $2 million bond and state aid proposal which will be placed before the voters of the Upland Elementary School District on Dec. 6.)

There has been so much emphasis placed on the word control which the State of California would have over a school district if said school district votes to accept financial aid from the state that I would like to present a few facts relative to the subject.

(Editorial on Page 2)

First, let us go into the matter of control. A school district, in solving its housing problem through cooperation with the State of California, does not lose local control. It should be pointed out that, by reason of the 10th Amendment to the Constitution of the United States, public education is a state function. In California, the governing board of a school district enjoys local control only to the extent that authorization can be found in the Education Code of the State of California or the Constitution of the State of California.

Most of the facets of public school management are clearly and definitively spelled out and rigidly controlled by state law. The Board of Trustees of our School District may do only those things which are allotted to them by law through the Education Code of the State of California.

Second, all we are doing in this bond election is voting to accept state aid. This money is not going to be available to us unless there is a need. This need is determined by the local Board of Trustees based on the number of unhoused children and adequate square footage available in the School District.

In the event State Aid is accepted, any additional controls placed upon the local School District, beyond those which already exist, are more in a matter of standards than restrictions. These additional standards are set by the Department of Finance, State of California, and are supervised in conjunction with the State Department of Education Div. of School House Planning.

A study of these standards indicates that said control is what would be generally considered in the business world as good business practices. An example of this is the fixed dollar value allowance per square foot set by the State Department of Finance of $14.88 per square foot. The Upland School District has constructed all of its facilities for well under the rate set by the State and the most recent school, Foothill Knolls, was bid at a price of $11.25 per square foot.

Additional examples of this type of good business control could be considered to be the adoption by the Department of Finance of a "don't" list; that is, things which cannot be constructed on a State Aid program, which include such items as: no planter boxes or indoor planting areas; no

(Continued from page 4)

ON THE WAY DOWN is a member of the Freshman football squad which challenged Sophomore players Tuesday in the third annual Powder Puff Bowl game at Chaffey College. Regular tackle football was played and players from the Chaffey varsity team served as coaches. The Panther Women of the two classes were cheered from the sidelines by nearly all the student body. The sophomores won 24-0. Last year the sophs won but by a close 12-6 score.

Study Skill Course Set

Because of the success of the first Independent Study Skill course, William Hildebrand, Upland High School teacher, will give a second session beginning Nov. 28.

The course is designed to teach students of high school age or more the techniques of studying. It is open to all high school students and adults in the area who are interested in increasing their study skills. The classes will be held in room 115, Upland High School with each unit beginning at 3:15 p.m.

Time schedule for the non-credit, voluntary course is: Nov. 28, introduction and budgeting of time; Nov. 30, Using a textbook; Dec. 2, Mastering written material; Dec. 5, Outlining and notetaking; Dec. 9, Writing an Essay, short report, or composition; Dec. 12, Writing a term paper; Dec. 14, Using the library; Dec. 16, summary and concluding session.

Hildebrand said that each meeting will run about 30 minutes. Individual sessions or conferences may be held if needed by appointment.

Those interested in attending, if Upland High School students, should register through their counselors. Outsiders should call Mrs. Anita Olson, secretary to the assistant principal. All reservations for the course should be made not later than Nov. 23.

Burning Regulations Warning is Issued

Continued violations of open burning regulations of the San Bernardino County Air Pollution Control District will bring Court citations, is the warning today of County Air Pollution Control District Officer John H. Fairweather.

Although the rules and regulations provide some single family residence exemptions, they restrict against general open or container burning by providing that such residential fires must comply with Rule 3:2, the "Smoke and Opacity" regulation; and Rule 3:3, the "Nusance" regulation.

Rules 3:8 and 3:9 also restrict against the open and non - complying incinerator burning of any carbonaceous materals such as garbage, tar products, rubber products, rags, oil and oil-soaked materials, auto bodies and auto salvage, wire and insulation, and similar smoke producing materials.

Trash Pickup

Because it is virtually impossible to meet the regulations, the Air Pollution Control District Officer stated that residents and commercial, and industrial establishments would be better served to utilize the good trash pickup service available in all incorporated communities, and in most urban areas of the county.

With the County having adopted a master plan for waste disposal, there is assured in the near future facilities to handle wastes without the necessity to burn.

Fairweather stated that the burning of residential combustible wastes as the accumulation of papers and leaves and garden trimmings do not put the gaseous components which contribute to photochemical smog into the atmosphere, but they do create aerosols and hydrocarbons producing haze, and creating nuisance. Any appreciable amount of visible smoke from this type of burning is a violation of both State and County regulations.

The Air Pollution Control District also advises that firms holding incinerator permits should start now to convert to multi - chambered equipment, which will be the only approved type after Aug. 5, 1961, the end of the third year after adoption of the rules and regulations.

Cancer Film to be Shown Three Times in Area

Three showings of the American Cancer Society's film entitled "Time and Two Women" are scheduled in this area Nov. 29, 30 and Dec. 1. THE MOVIE IS FREE TO ALL WOMEN.

It deals with uterine cancer and the "Pap" cell test to help detect it, often years before any other signs can be detected.

This type of cancer is almost 100 per cent curable if detected and treated in time, the Cancer Society says. The cell test is easy and painless. But there's the rub: too often it isn't detected in time, the society warns.

Uterine cancer is listed as the second largest killer of women, taking 15,000 lives in the United States last year including 1,069 in California. It is estimated that there are at least 25,000 unsuspected cases in California, most of them in the early stage.

A physician will be there to answer questions. The Cancer Society is sponsoring the showing with the County Medical Society as co-sponsor, with the cooperation of theaters.

The movie will be presented from 7:30 to 9 p.m. Tuesday, Nov. 29 at the Merton Hill Auditorium on the Chaffey Junior College campus, Alta Loma.

The Grove Theater, 276 E. Ninth St., Upland, will show the film 10 to 11:30 a.m., Wednesday, Nov. 30.

Third screening will be from 10 to 11:30 a.m., Thursday, Dec. 1, at the Granada, Ontario.

Accompanying the film will be a companion cartoon, "Inside Magoo," a short comedy that puts the nearsighted Magoo through a careful examination.

Dialing Reminder For Uplanders

A reminder to all Upland and Ontario telephone subscribers that direct distance dialing service goes into effect this Saturday, Nov. 26, at 11:01 p.m., was issued by C. B. Miller, Ontario district manager for General Telephone Co.

The change, affecting all customers whose telephone numbers begin with YUkon 2, 4, or 6, will permit them to dial station calls directly to many millions of telephones throughout the United States and Canada without the necessity of going through an operator, Miller declared.

Reminding customers of the simple two-step process for using the new service, Miller said: After receiving dial tone, dial the three digit area code, if it is outside the 714 area, then dial the prefix plus all the numerals of the telephone number you are trying to reach.

Complete background information and instructions for using the new service including a comprehensive list of cities which may be dialed, will be found in the booklet mailed to the homes of all subscribers this week, Miller said.

He added that additional copies may be picked up at the local business office, 207 West "D" Street, Ontario.

"We belive our customers will find direct distance dialing the ultimate in telephone convenience, and take pride in its introduction here," Miller said.

SON BORN

Mr. and Mrs. John Marquez, 1403 Bowen St., became parents of a baby boy Nov. 19, in the San Antonio Hospital, in Upland.

Path Cleared for New School in Alta Loma

The path was cleared Monday night by Trustees of the Chaffey Union High School District for the formulation of a general plan for construction of a new high school in Alta Loma.

The Trustees agreed to the signing of a contract with the architectural firm of Harnish, Morgan and Causey after several revisions, requested at the last meeting of the Board, were made.

District school officials said the target date for completion of the new high school has been set as no later than August, 1963.

The new school would serve the Foothill area which includes Alta Loma, Cucamonga and Etiwanda. It will be designed for a capacity of 1500 students and it was estimated that there is now between 600 and 800 high school students in this area.

Money on Hand

The new school will be financed from an $8.5 million bond issue which was approved in an election held in 1957.

From this bond issue funds were used to complete construction of Upland High School, construct a new high school in Montclair and purchase five new school sites.

Remaining funds, the school spokesman said, are adequate to construct and equip the fourth high school in the district but will require the use of all the remaining funds voted at the 1957 election.

There is approximately $3,150,000 remaining from the bond issue and it was pointed out that the Montclair High School, now in its second year of operation, required $2,200,000 to build but this figure does not include cost of equipment.

Architects will start working on plans for the new school next month and will submit progressive plans for Board approval as they are completed.

The new school will be located back of Red Hill on Base Line about 700 feet east of Cornelia.

Federal Grant Approved For New Hospital Wing

A federal grant of $1,290,200 towards construction of a new 160-bed wing on the San Antonio Community Hospital has been approved by the Department of Health, Education and Welfare.

Dr. A. A. Alta, hospital administrator, said that the hospital must now raise an additional $1,300,000 to add to state and federal funds available and which now total $2,580,000.

Estimated cost of the entire hospital expansion project has been set at nearly $4 million.

Dr. Aita said the hospital must be able to pledge the additional funds by February, 1961, and it probably will get a committment from banks for the amount in order to meet the deadline.

"During the next three years we will attempt to raise the amount by subscription and other methods," Dr. Aita added.

Large Area

The San Antonio Community Hospital serves Upland, Montclair, Etiwanda, Cucamonga, Alta Loma, Ontario and Chino and the expected population growth during the next few years makes the proposed expansion necessary.

Plans as they now stand include a new ground floor area which would contain a new surgical suite with special orthopedic, urological and general surgery areas along with a new X-ray therapy department and other new features.

On levels above the first floor new patient areas for approximately 160 beds would be provided on three floors.

The wing will include 90,000 square feet of floor space and will be erected to the east of the Latimer wing of the existing buildings.

Editor Will Speak Here

The Rev. Richard U. Smith, National Department of Christian Education of the Episcopal Church, will be guest speaker in the pulpit of St. Mark's Episcopal Church, Upland, Sunday.

Father Smith will speak at the three services: 8:00, 9:15, and 11:00 a.m., according to an announcement by The Rev. Joseph A. Erickson, Rector.

Father Smith has been editor of "Findings", the official magazine of the National Department of Christian Education since 1955.

Father Erickson said that the editor is on the West Coast to attend the Episcopal National Council Meeting in Los Angeles. His home is Greenwich, Conn.

Garbage Will Be Collected On Thursday

A spokesman for the City of Upland said today that the regular garbage collection for Thursday will be picked up on Thanksgiving Day as scheduled.

The trash collection, normally scheduled for Thursday, however, will not be picked up until Friday.

The spokesman stated that if all trash collections were not made on Friday that residents should leave the trash out because the trash collection would be completed on Saturday morning.

The regular garbage and trash collection schedule will be resumed next week.

Upland Senior Selected For Preview Event

Ronald Saltgaver, Upland High School senior, has been honored by the California State Polytechnic College, according to word received from Harold P. Hayes, Dean of Engineering.

Saltgaver was selected, with 39 others from a field of more than 300 applications, to attend the engineering preview for high school juniors and seniors, sponsored by Western Air Conditioning Industries Association, and scheduled for Dec. 19 and 20 on the Cal Poly campus.

Saltgaver is the son of Mr. and Mrs. Keith Saltgaver, 690 Winn Drive, Upland.

Hayes, in his letter, said, "I am pleased to say that you have been selected as one of the participants. The task was a difficult one because the caliber of applicants was exceptionally high."

The purpose of the Preview is to give a selected group of high school students a professional picture of the part that science, social sciences, English and mathematics play in engineering; an idea of the personal qualities required to become a successful engineer; and a realistic survey of the opportunities industry offers.

NEW BOY IN TOWN

A son was born Nov. 19, to Mr. and Mrs. Louis R. Giattino, 293 Vallejo Way, at the San Antonio Hospital in Upland.

STILL A MYSTERY is how a fire started Monday about noon which destroyed a garage, two automobiles and an 18-foot outboard boat at the residence of David Wolfe, 781 W. 9th St. in Upland. Firemen said Tuesday that Wolfe and his family are reported vacationing in Hawaii but are expected to return to Upland for Thanksgiving. The above photo shows the charred ruins of a 1960 Valient and a 1954 Chevrolet and the bottom picture is of the Wolfe family boat. Upland firemen said the roof to the garage caved in just as they arrived on the scene. Firemen are yet unable to give an estimated damage figure or determine the cause of fire.

AN EDITORIAL

Important Disagreement

There's an important disagreement right now over whether or not Upland School District voters should approve "state aid" at this time.

The School Board of Trustees, the Superintendent's office, and a lay advisory committee are in favor of passage of the $700,000 state aid measure. The Upland News is against it.

We outlined our viewpoint a week ago. We objected because state aid is a "loan" and must be repaid; because greater controls will be felt by the local district; because the Junior High School construction program will be delayed six to 12 months because of total state control over our spending of each nickle, and because we are a "marginal district" still uncertain as to whether or not we will be able to qualify at this time and we'll be at the bottom of the list for aid if we do. State aid is for destitute districts.

We endorsed the $1,300,000 bond issue; but opposed the separate $700,000 state aid.

* * *

As for the bond issue, the Trustees figure this $1,300,000 will provide for the district for five years. The first $300,000 is committeed to be spent on a Junior High School. But after this, there is nothing at all said about where the next MILLION dollars will be spent.

We may assume that it will be spent properly, but school board members change and for FIVE LONG YEARS, the voters will have no chance to exercise their rights to determine where and how this money will be spent.

We disagree with five-year plans. The projection for bonds is too long. We think the $1,300,000 bond issue is too large, also.

But in spite of these major objections to the bond issue itself, we have supported it, for we realize that bonds must be voted to keep our schools in top form when it comes to buildings and equipment.

* * *

On the matter of state aid at this time, we flatly reject it. We hope it does not get the required two-thirds vote.

Our editorial still stands.

Call it "control" or "standards" or what you will, it amounts to THE STATE having greater say-so in the local district. Palming off State aid as a more "business-like way to conduct our school system" is pure hogwash as far as we're concerned. We should have the intelligence to cut out Frills and to get such things as title insurance on a piece of land without having the state sit over us with a ruler in one hand and money in the other.

The cost of another election would come to $1284 . . . and this sum has been cited as a major saving in five years to pass the state aid issue now, even if the trustees do not act on it until later.

We say that $700,000 is a lot more important to worry about than spending an extra $1284.13.

We didn't shut the door in our editorial to state aid should some major boom hit the area and we become "destitute" as a school district.

With all the talk about the terrible need for a Junior High School now, it behooves us to pass the bond issue and start building it now . . . not delay it six months because of state control.

Everyone always yells about the great growth of the federal and state government.

Well, we have before the voters now a clear-cut issue of whether we want additional state control and centralized authority over our local school district, or whether we want to retain as much local control as possible.

The need for state aid has not been shown, we feel. The issue for state aid should be soundly beaten at this time.

AN EDITORIAL

Annexation Issue

The City of Ontario has authorized two petitions to be circulated preparatory to annexation of land south of 8th St. and eastward to Vineyard.

If this area agrees to annexation to Ontario, a major step will have been taken by that city to moving northward into Cucamonga and Upland territory.

For years we have pointed out the great push by Ontario northward and their attempts by one means or another to gain control of the land of this north area.

Now, again, Ontario is in the process of annexation.

Certainly, this is no-man's land at present.

The area cannot stay as county land. Cucamonga, with its sewage districts and incorporation attempts, and now Ontario with its annexation attempt, should by now prove that county land soon no longer will be county land.

For the people of all this vast area, it would be wise to sit down and figure out whether or not you want to be a separate city, or part of Cucamonga, Ontario, or Upland. There is a choice now — but it won't be available long.

We don't think tiny splinter cities by themselves are the answer. Nor is annexation to Ontario the answer.

What should be accomplished is a division between Upland and Cucamonga, and the incorporation of Cucamonga.

The sooner these occur, the better off everyone will be.

Upland Girl Athletes Host Basketball Play

Upland High School's girl athletes held their fourth annual Tri-County League basketball playday, Monday, on the UHS courts.

Six games were in progress at the same time, putting four teams from each school into action. Each team played one game. Refreshments were served at the conclusion of the play. Claremont and Bonita teams were guests.

Sports manager Judy Ornelas was in charge of arrangements. Committees were: Refreshments — Florence Wood, Ann Lauderback, and Mary Olson. Scorekeepers —Mary Lou Juarez, Judy Mancini, Judy Burleson, and Gloria Guzman. Timers —Lupe Laidlow and Joan Wilson. Referees Miss Mary Pollock, Sue Blake and Fay Zuccato. Mrs. Donna Hill was advisor.

Upland teams were: Team One —Delia Sanchez, Captain; Sally Mertz, Mercy Santos, Angela Ynostroza, Annie Romero, Esther Sanchez, Virginia Fuentez, Marian Velasquez, Mary Mendoza, Irene Alvarez, and Catherine Stebritz.

Team Two —Dorothy Wood, captain; Pat Y. Ramirez, Kathy Orzeck, Carol Tayler, Janice Stoney, Beverly Gadd, Jean Partridge, LaVerna Stebritz.

Team Three —Trinie Ybarra, captain; Emma Guerra, Judy Ornelas, Vilma Gabaldo, Mary Lou Juarez, Anna Marie Hernandez, Rita Alderete, Mona Buenrostro, Rachel Ynostroza, Rita Gomez, and Delia Garcia.

Team Four —Tina Meza, captain; Nora Noriega, Marcy Montecino, Gloria Duran, Betty Gallardo, Terry Ayala, Linda Martinez, and LaVonne Stebritz.

Easy way to do your new-car sampling—

Drive Chevy once around the block at your Chevrolet dealer's **one-stop shopping center!**

Just drop in and take a drive in one of the 30 spanking new '61 models your Chevy dealer now offers under the same roof. With every drive, your dealer is giving away free Dinah Shore Christmas records while they last. So hurry! And you'll find that here's the easy, one-stop way to shop for the car you want. There's a model to suit almost any taste or need—at a price to suit almost any budget. There's a whole crew of new Chevy Corvairs, including four family-lovin' wagons. New Biscaynes—the lowest priced full-size Chevrolets. Popular Bel Airs. Sumptuous Impalas. And America's only true sports car—the Corvette. Come on in and pick your new car the easy way—on a one-stop shopping tour!

CHEVROLET

New '61 Chevrolet IMPALA SPORT SEDAN

You'll see *five* models in the '61 Impala series—the most elegant Chevies of all. They're sensationally sensible from their more parkable *out* size to their remarkably roomy *in* size. And note that trim new roof line.

New '61 Chevrolet 2-DOOR BEL AIR SEDAN

These beautiful Bel Airs, priced just above the thriftiest full-size Chevies, bring you newness you can use. Roomier dimensions reach right back to the easier loading trunk that lets you pile baggage 15% higher.

New lower priced '61 CORVAIR 500 CLUB COUPE

See what Corvair's got in store for you in '61! Thriftier sedans and coupes with nearly 12% more room up front for luggage. That rear engine's spunkier, too, with a gas-saving new axle ratio to go with it.

New '61 Corvair 700 LAKEWOOD STATION WAGON

There's room for almost everything but antifreeze in these new one-and-only 6-passenger Lakewoods. And they're the only wagons with lockable trunk under the hood. Be sure to see the new Greenbriers, too.

New '61 Chevrolet 2-DOOR BISCAYNE 6 NOW—Big-Car Comfort at Small-Car Prices

These new Biscayne 6's*—the lowest priced full-size Chevrolets—let you save money in a big way, yet give you a full measure of Chevy's new roominess—such things as higher easy chair seats, larger door openings, more leg room in front, more foot room in the rear.

*Also available as V8 models

Early Mailing Aids Christmas Delivery

Postmaster Roy A. Ray said today, "Early mailing of all Christmas cards and gifts is the biggest single factor in getting all of the mail delivered before Christmas. Post Office facilities have been expanded, extra help will be available, and everything is geared up to handle a record Christmas mail in Upland this year."

The entire Christmas mailing period is a big battle against time. Even though Christmas is a month away by the calendar, it's Christmas every day at the Post Office from now on.

The Postmaster advises, "Don't take chances on mailing poorly wrapped packages. Use sturdy corrugated mailing cartons, plenty of heavy wrapping paper and strong cord. Cartons containing several gift packages should be well stuffed with tissue or old newspapers to cushion the contents."

Check Size

He said further, "If you have articles of unusual size or bulk, better check with the Post Office before attempting to mail them. The limits of size and weight of packages vary, depending on where you mail your packages from."

Always send your Christmas cards by First Class mail and be sure to include your return name and address on each Christmas card envelope.

Send all Christmas mail going long distances before Dec. 10. Follow up promptly with cards and gifts for local delivery. Mail "Early and Often" for a merrier Christmas!

Mistletoe Ball Decor, Highlights Announced

The invitations are out and final preparations are being made for the Mistletoe Ball on Dec. 9 at the Elks Club in Ontario. This holiday event held annually by the Assistance League of Upland is one of the social highlights of the Christmas season.

Mrs. Lewis Gillette and Mrs. Gene Alair, co-chairmen of the Ball, have revealed the theme of the festive decor which will transform the Elks Club into a Christmas wonderland.

Guests will see giant stylized poinsettias, six to seven feet in diameter, in rich red flocked velour. Spotlighted will be a forest of white cotton cone Christmas trees and the focal point on entrance will be a nine foot white flocked Christmas tree with large red ornaments. The poinsettia theme will be repeated along with candles and red streamers on the dining tables. And poinsettias will be like stars on a white background above the dance floor.

Assisting Mmes. Gillette and Alair are Mrs. Raymond Fischer, creator of the decorations and Mrs. Andrew Penque who is carrying out Mrs. Fischer's designs. Also helping in the project are Mmes. Wendell Close and Lyman Scheel, decorations committee; Mrs. George Yetter, food committee; Mrs. Logan Locke, invitations, and Mrs. John Mortensen, thank yous. Mrs. Jack Brewer is handling the refreshments for the social hour preceeding the dance.

Everyone attending the Mistletoe Ball has been cordially invited to attend a social hour in one of three homes before the dance. The homes have been designated and guest list divided according to geographic location. The hostesses are Mrs. Thomas Parker in Ontario, Mrs. George Yetter in Upland and Mrs. George Chalfant in Alta Loma. All Assistance League clubwomen will assist the hostesses in greeting the guests between 7:00 and 8:00 p.m. at the social hour in these homes.

From the social hour guests will adjourn to the Elks Club to enjoy a smorgasbord table before dinner. Dancing to the melodies of the Woodmen will begin at 9:30 p.m. and a sit-down dinner will be served later.

The invitations have been sent and Mrs. Logan Locke has asked everyone wishing to attend to remember that Dec. 7 is the closing date for reservations.

Edison PTA Board Elects Treasurer

The Executive Board of the Edison PTA met recently at the home of Mrs. Lyle Asay with Mrs. Robert Civille as co-hostess. Mrs. Merrill Moore, president, presided.

The appointment of Mrs. Thomas Harris as room representative was ratified. Mrs. Doyle Glazener was elected treasurer to complete the school year.

Mrs. Richard Anson announced the total profit of the dessert card party and expressed sincere thanks to all who worked toward it's success. Mrs. William Cave, Juvenile Protection Chairman, reported on her field trip through the Verdemont Boy's Home in San Bernardino. Mrs. Clifford Caldwell, Child Welfare chairman reported that baby clothes and boy's jeans are both needed very badly for the Clothes Closet and to have the items clean and ready to use.

UN Hawaiian Theme 1-14-2

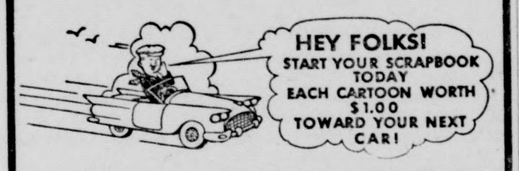

The Edison PTA meeting was held Nov. 17 and The Upland Mothersingers presented a selection of Hawaiian numbers and were dressed appropriatly with the Hawaiian flower Hibiscus in their hair.

Dr. Lyle Asay gave a very informative talk with colored slides on poisonous plants and stressed the child's need to be familiar with their appearance.

High PTA attendance went to Miss Virginia Lorbeer, third grade and Mrs. Margaret Clements, fourth grade classes.

Flora Marvin

Cucamongans to Know

Chief Laboratory Technologist at The San Antonio Community Hospital in Upland, Flora Marvin, lives at 8337 Grove Ave., Cucamonga. Born in Coloma, Mich. She attended school both in that state and in St. Louis, Mo. Miss Marvin came to California 23 years ago when she joined the staff at San Antonio Hospital as an intern.

She expected to remain for only six months and return to her home back east, but

MISS FLORA MARVIN

this wonderful Southern California weather changed her mind. Also, the promotion to the hospital's Laboratory, the type of a career she had prepared for, over-came the desire to go eastward.

Miss Marvin enjoys her work and has proved to be an important asset in the technical departments of the hospital. Every year she attends special meetings and instruction classes held in various sections of the country in order to keep up with modern hospital laboratory developments and to exchange a few ideas which the San Antonio Community Hospital has put into practice.

Flora Marvin is a great booster for the progressive growth of Cucamonga. She keeps up with, and takes a real interest in, any of the problems that concerns the district. Her pride and joy is the comfortable home she shares with co-hospital staff member, Miss Elizabeth Harrington, R. N., San Antonio Community Hospital.

Her hobbies are gardening and reading good books. Flowers and rare plants which dominates both the the back and front yards, prove that she is as much at home in the garden as she is in her laboratory.

When mentioning Miss Marvin and Miss Harrington, we must also include the master of the household, Smudge. He is a black haired, cocker spaniel dog born during one of the worst smudges that used to haunt the West End.

Miss Marvin is past president of the San Bernardino and Riverside chapter of The California Association of Medical Laboratory Echnologists and still an active member.

All of her friends, neighbors and associates think highly of her as a very pleasant person and a real hostess and have great respect for her technological knowledge and ability.

When asked what she had to be thankful for this Thanksgiving, Flora Marvin said, "First, that we have peace in the world, and secondly to be able to own a home with lovely flowers and shrubs and enjoy the wonderful climate and beautiful scenery here in Cucamonga."

Local Woman Given Honors

Gamma Phi Betas from the Covina-Pomona Valley area and other areas surrounding Los Angeles commemorated the 86th anniversary of the founding of the sorority recently at the Wilshire Country Club.

International Grand President, Mrs. Howard Wittenberg, Pasadena, spoke on "Current Trends in the Fraternity World."

The traditional candlelight ceremony opened the affair. This was followed by presentations of Crescent Awards to those local members who have been active in the sorority for 50 years.

Mrs. D. J. Rutherford, Upland, and Mrs. H. S. Gilman, Pomona, were among those honored.

Zeigler Graduates From Navy School

Donald E. Zeigler, apprentice petty officer third class, USN, son of Mrs. Charlotte Zeigler, 650 Raymond St., Upland, graduated recently from nine weeks of Recruit Training at the Naval Training Center, San Diego.

Apprentice petty officers are chosen from the ranks of the seaman recruits to assist Company Commanders. The selection is based on individual aptitude and leadership qualities.

Dr. Pankratz To Address Missionary

Dr. Peter J. Pankratz, Fullerton, will be the speaker for the annual Mission program and Thank offering sponsored by the Women's Missionary Society of the First Mennonite Church, Upland, on Sunday, Nov. 27, at 7:30 p.m.

Dr. and Mrs. Pankratz left his medical practice in Mountain Lake, Minn., several years ago for a term of service in the medical program of the Mennonite Central Committee in Taiwan. Following their return to the United States, Dr. Pankratz established medical practice in Fullerton.

Mrs. I. T. Habegger, president of the Women's Missionary Society, is in charge of the program which was arranged by Miss Metta Niswander.

Upland High Girls Get RC Certificates

A number of Upland High School girls recently qualified for Red Cross certificates in swimming —beginning, intermediate, and swimmer.

Coaching the girls were Miss Margaret Steinbrugge, Miss Virginia Manker, and Mrs. Donna Hill. Those successfully passing the difficult tests were:

Assisting the coaches in teaching were students Gail Castellini, Vicky Howell, Jo Dalla Rosa, and Sue Blake.

Cancer Film

(Continued from Page 1)

built-in projection screens; no special masonry items like a fireplace; no decorative or ornamental type of material on exterior of schools; no site development for landscape purposes only.

In accepting State Aid, the only additional state department that is concerned with State Aid, and is not concerned with any local funds, would be the Department of Finance, which directly furnishes the funds for the construction of the buildings. It would continue to be necessary to have approval from the Department of Education-Division of School House Planning in the field of site acquisition and school house design plus the Division of Architecture to meet the necessary existing controls as required by law.

We believe the School District, as well as the taxpayers, really welcome these "standards" or "controls". These "standards" or "controls" which are a part of the State Aid loan program are for the purpose of insuring to all taxpayers in the State of California, as well as in Upland, that we will have a well-constructed, adequately furnished, safe school without unnecessary frills and that all monies will be spent in a business-like manner.

Twelve men and one woman have crossed Niagara Falls gorge on a tightrope.

Youth Group Seeks Use Of School

The Chaffey Union High School District Trustees Monday night agreed to advertise for bids prior to entering into a contract with the Youth for Christ organization to use Montclair High gym for twice monthly rallies for the next five months.

The Trustees voted, however, to include a clause which would give the District the right to cancel the agreement at anytime.

All contracts for use of District facilities by religious groups must first be advertised it was pointed out by the Trustees.

The Youth for Christ group, under the terms of the proposed contract, would pay $40 each night for the use of the facilities at Montclair High for approximately three hours two Saturday nights each month.

Youth for Christ headquarters are in Azusa but plans are being formulated to establish a sub-district in Upland.

The Saturday night rallies would include singing, films, contests, youth speakers and a choir and would be under the supervision of Walter Rieder, an Upland insurance man and prayer chairman for Upland - Ontario Christian Businessmen's Committee.

ANTONIO A. RAYA, 9648 Estacia Ct., Cucamonga, has been selected Honorman of his company for attention to duty, military conduct, responsiveness to orders, cooperation, loyalty and comradship. Raya enlisted in the Navy in September, 1960. The commanding officer of the Recruit Training Command, U. S. Naval Training Center, San Diego, issued the above citation.

PREPARING FOR A BALL are these members of the decorations committee for the Assistance League of Upland's Mistletoe Ball to be held Dec. 9 at the Elk's Club in Ontario. In the top photo, from left are Mrs. Andrew Penque and Mrs. Wendell Close making poinsettias and the bottom photo shows, from left, Mrs. Lewis Gillette and Mrs. John Mortensen preparing cotton Christmas trees. The committee is working on the decorations in the home of Mrs. Gillette in Ontario.

WON'T WORK

"Maybe man really does love his wife as much as he does his dog, but you never heard of his whistling around the neighborhood half the night trying to get her to come home." —Bill Potter.

Form No. 5
SCHOOL DISTRICT
STATE APPORTIONMENT
ELECTION NOTICE

NOTICE is hereby given to the qualified electors of UPLAND SCHOOL DISTRICT of San Bernardino County, State of California, that in accordance with law, an election will be held on the 6th day of December, 1960, in said District, between the hours of 7:00 o'clock A.M. and 7:00 o'clock P.M., during which period and between which hours the polling place shall remain open, at which election there will be submitted the question whether the Governing Board of said District shall be authorized to accept and expend an apportionment in an amount not to exceed $700,000.00 from the State of California, under and subject to the provisions of Chapter 10 of Division 14 of the Education Code, which amount is subject to repayment as provided by said Chapter.

This election is consolidated with that certain school district bond election called by resolution adopted on September 13, 1960, by the Governing Board of the UPLAND SCHOOL DISTRICT of San Bernardino County for authority to issue and sell bonds of said District to the amount of $1,300,000.00.

The voting precincts polling places and election officers, duly designated and appointed for this election shall be the same as those provided for and set forth in that certain school bond election notice contained in said resolution calling said bond election and said elections shall be held in all respects as if they were only one election, and only one form of ballot shall be used.

Each qualified elector of said School District shall be entitled to vote only in the School District Election Precinct of which he is a resident.

IN WITNESS WHEREOF, we have hereunto set our hands this 13th day of September, 1960.

J. Leman
Floyd G. Allen
John E. Skewis, M.D.
Wendell E. Harmon

Spring Theme Set For March, 1961 Breakfast Fete

"Spring Around the World", is the theme chosen by the Ontario City Council of Beta Sigma Phi, for the first breakfast meeting at which the Council will host for the Mission California Council of Beta Sigma Phi, March, 1961 in this area. Breakfast chairman is Mrs Kenneth Penn.

Chapter committee heads are the Mmes., Robert Franklin, Epsilon Beta, Bill Ross, Xi Gamma Kappa, Charles Jacobs, Rho Chi, and Gene Owens, Xi Theta Gamma. This was voted on at the recent meeting of the council held in the home of Mrs. Robert Sommer, Upland.

Also during the business meeting presided over by Council President Mrs. J. E. Risch, plans were completed for a civil defense meeting to be held at the Bon View school, Jan. 30, 1961, with Mrs Keith Krumwiede, Rho Chi, general chairman.

Rho Chi Chapter President Mrs. Charles Self, presented the Council with felt sheilds for their Sorority Pins as their fund raising project.

Attending were the Mmes. Risch, Ernest Henderson, Edward Richards, Edgar Bryan Kenneth Penn, Harry Brewer, Gene Owens Robert Sommer, James Denniston, Charles Self, Richard Caffroy, and Miss Olivette Gray.

FORMULATING PLANS for the showing of an American Cancer Society Film on Nov. 30 at 10 a.m. at the Grove Theatre in Upland are Mrs. Arthur Novelli, in charge of public information for the area chapter, left, and Mrs. Josef Held, right, welfare and health chairman for the Montclair Women's Club. Hugh Thomas, center, new owner of the Grove, is assisting in the project through the use of his theatre. The film, Time and Two Women, is a film which the Cancer Society reports every woman should see. A medical doctor will answer questions following showing of the film.

Local Student Exhibits Art

The work of 14 Scripps College art students, graduate and undergraduate, is included in an exhibition, "Design West, 1960," currently on view at the California Museum of Science and Industry in Exposition Park, Los Angeles. The show continues through Dec. 4, with hours from 10 a.m. to 5 p.m., daily.

In the Scripps exhibit are drawings, woodcuts, oil paintings, serigraphs, ceramics, weaving.

Amont the exhibitors is Carolyn Prince, daughter of Mr. and Mrs. Paul Prince, 723 N. 3rd.

Silver Scribe Poets Meet In Upland

Silver Scribe Chapter of Chaparral Poets held their November meeting at the home of Mrs John Brubaker, 1650 W. Arrow, Upland.

Mrs. Jennie Brechbill, club president and aunt of Mrs. Brubaker was hostess. Each member present either read some of their own poetry, some published and some newly written, or told a true story to the group.

Mrs. Brubaker told of her work of organizing Bible groups in quite a wide southland area. These are for all ages and are especially helpful to the shutins.

Hostss for the Christmas party in December will be Mrs. Helen Browne, Arrow Highway, Upland.

"It was nothing... just a fire in the stove"

Are you sure that's all it was, Jim? You know, we might look at it as an exciting demonstration of *municipal bonds at work!*
Remember voting for the bond issue to build a new firehouse several years ago? At the time you said, "This is going to cost me money, but I guess we've got to have it." Then, when you renewed your fire insurance and found the rate was lower, you were pleased.
Think of what you saved today, Jim! Insurance money can't replace what you came near losing. Fortunately, the fire was nothing because municipal bonds gave your community the cash to put engines, equipment and firefighters near your house.
The Bank of America and its associated investment dealers bid on virtually all municipal bonds issued in the State because we have confidence in the future of California and communities like yours. These bonds finance fire-fighting equipment, schools, city government buildings, water and sewage facilities, etc.
Do you know what we at Bank of America do with the municipal bonds we buy? We add some of them to our own investment portfolio—and make the rest available for purchase. No one knows better than you do—living right there on the scene—what a sound investment they are!
If you'd like to make an investment in your community secured by its business, industry and by your neighbors, we suggest *municipal bonds issued in your area.* They're available in denominations of $1,000, pay you a good return and the income you receive is *tax free.* The manager of your local branch of the Bank of America will be glad to give you full information, or you may write to

Church Announces New Committees

There will be a meeting of all committee chairmen of the Unity Church of Pomona next Sunday evening, Nov. 27, at the home of Glenn Weaver.

Plans for the ensuing year will be discussed over a pot-luck supper. The committee chairmen, recently appointed by the planning committee, are: Bruce Bills, ushers; Sally Christiansen, Women of Unity; Les Williams, church news; Bud Barrett, Sunday School and Y.O.U.; Dick Medley, Men of Unity; Lucile Thompson, publicity.

In 1890 men in business offices outnumbered women by 8 to 1 in clerical jobs; today, women outnumber men by 3 to 1, except in government offices, where men still dominate.

THE VALLEY LEAGUE water polo champions of Upland High School are pictured above with their coach, Jim Stewart. The Upland team finished the regular season with 12 wins and three losses and compiled a league record of six wins against no defeats. From left are: Front row — Pete Allen, Art Smart, Dave Callow, Rod Becker, Doug Bartlett, Tom Holden. Back row — Ed Cutshall, Tom Strack, Mike Futscher, Kirby Bonds, Vern Murray and Coach Stewart.

Water Polo Squad Wins League Title

The Upland High School varsity Water Polo team went to the CIF play-offs after cinching the Valley League crown with a 33-9 victory over Pasadena. In league play they finished undefeated, with a 6-0 record.

Although this fine team was defeated in the CIF play-offs when they were paired with El Segundo, top rated in Southern California, in the first game by a score of 25-2, their seasonal record showed 12 wins and three losses. In the El Segundo game, Tom Chalberg and Rod Becker did the scoring.

The B team placed second in the Valley League with a record of 5-1. Sierra had a 6-0 standing.

The C polo team, after securing the league title with a 5-0 record, also went on to the CIF play-offs. There they imerged from the Inglewood pool as 11-4 underdogs. Scoring in this crucial game were John Whittaker and Cutshall. James Stewart coached the champions this year, and Senior Pete Allen served as captain of the varsity squad.

B Footballers Conclude Play

In one of their closest games of the year, the Upland B football team was defeated 13-12 by the Claremont B's. Both Upland touchdowns were scored by Tom Lowe on two one yard runs in the fourth quarter.

Outstanding on defense were Ken Shattock Frand Aleman, Dave Ybarra, Dave Gonzales, and John Gilliland. Tom Lowe and Frank Barbosa played good offensive ball.

The seasonal record of the UHS Bs is one win and eight losses. The Pomona B team took the league this year.

RENTED CRADLE

"The trouble with many hands that rock the cradle today is they're hired hands." —O. A. Battista.

MISS SANDRA WITHROW, right, standing, Upland, was a senior princess for Homecoming activities at University of Redlands. Elizabeth Drake, San Marino, center, was crowned queen. Others in her court are Carolyn Ollila, Ontario, left standing, and seated from left, Judy Sundahl, Glendale, and Barbara Curry, Exeter. Miss Withrow is the daughter of Walter I. Withrow and is majoring in English. She is a member of Alpha Theta Phi.

. . . And

CUCAMONGA

BY HOLLIS GUTHRIE

Thanksgiving in Alta Loma, Etiwanda — and Cucamonga is a wee bit different due to the semi-rustic setting of these colorful communities. There is something relaxing about the area, especially this time of the year. The grape harvest is over and the leaves on the trees are turning. And as you look up at that majestically towering Old Cucamonga Peak, which seems to be guarding these three communities year in and year out from the elements of nature and man, it makes one want to give thanks for being able to live in the district.

We know in this age of steamlined living with modern jet speed thinking and automation, this sounds rather corny, or square. Don't get us wrong, we are very much in favor of the modern way of carrying on industrial and commercial production. After all, man worked years to create machines to ease the burden of his physical efforts in order that he could have time to enjoy the fruits of his labors. And here in these communites of Alta-Loma, Etiwanda -and Cucamonga the folks seem to apply this formula more so than people in the congested cities.

We feel sure that on this Thanksgiving Day, regardless of which political horse they were backing, or how much their property tax bills increased, or how much less their incomes will be due to lay-offs or decrease in business or crops, these folks will say a special prayer giving Thanks that they are living in the Land of Free Speech and Free Thinking.

Yep, this time of the year, when we sit down to our traditional Thanksgiving dinner, we always think: "Count Thy Blessings".

And do you know, all the years reverses, failures, financial losses, and believe us there has been plenty of them the last 10 years, just fade away when we start counting such Blessings as freedom of Speech and Thought.

We, in Cucamonga District, will have many Blessings to count this time in 1961, because we should have payrolls supporting close to 300, or more, employees. We are finally on our way, thanks to the large industrial plants being built and those already in operation in the district.

Alta Lomans can count their blessings in the form of Chaffey Junior College, a new fire truck, and future industrial expansion programs, and for some of the best citrus groves in the area.

Etiwandans can be Thankful for the Southern California Edison Steam Plant, the Etiwanda Steel Corp, the Regina Grape Products and thousands of acres of grapes, and having good potential sites for a new State College; and Cucamongan, should first all be thankful for the millions of dollars of free publicity their community receives year in, year out from all members of the Press, both locally and nation-wide, plus a special thanks to Jack Benny for putting them on the map.

And don't forget the humble Indians who discovered this "Land of Many Springs." They helped plant the first grape vines, thus creating a large industry of grape growing and wine making. Give thanks to Mayfair Market for ushering in the new era of progress into Cucamonga; to the construction that's under-way of the Otis Elevator Plant and the New Pacific Stainless Steel Mill.

Yep, thanks to these industrial and commercial developments we can sincerely say, The District of Cucamonga is on it's way.

Upland Gridders Drop Homecoming Tilt 39-7

The UHS varsity football team hung up its gear for the season after a crushing defeat, 39-7, by a powerful Pomona team in a Homecoming clash. Although the last two games of the season were rather disappointing, Coach Harley Lovit said it was still a good season.

Upland finished third in the Tri-County League with Claremont taking the crown and Pomona finishing second.

During the annual Homecoming festivities at halftime, personable Donna Ramsay was crowned Homecoming Queen of 1960. Sandy Wise was her first attendent, while Kirsti Nitter, foreign exchange student from Norway and Vicky Howell and Karen Kay completed Queen Donna's court.

Particularly lauded by the coach were these Senior backfielders: Ted Stipe, Jim Lail, Jake Lotz, Dave Hansen, and Lul Horsmeyer. Co-captain Mike Christensen, Mike Coolie, Roger Hall, Evert Hall, Joe Bare and co-captain Lou Schmutz were the season's outstanding Senior linemen.

Returning next year to the backfield are Bob Whitlock, Joel Kay, Mike Quinn, Terry Megargee, Monte Parrott, and Jim Wilcox, who played very well this year. Lovit also praised linemen David Bangle, Tom Braezeale, Loren Miller, Bruce Funk, Ted Gilliland, and Clark Corpe, who will return to the Highland Field in 1961.

LEGAL NOTICE

SCHOOL BOND ELECTION NOTICE

NOTICE is hereby given to the qualified electors of UPLAND SCHOOL DISTRICT of San Bernardino County, State of California, that in accordance with law, an election will be held on the 6th day of December, 1960, in said District between the hours of 7:00 o'clock A.M. and 7:00 o'clock P.M., during which period and between which hours the polls shall remain open, at which election there will be submitted the question of issuing and selling bonds of said District to the amount of $1,300,000.00 for the purpose of raising money for the following purposes:

(a) The purchasing of school lots;

(b) The building or purchasing of school buildings;

(c) The making of alterations or additions to the school building or buildings other than such as may be necessary for current maintenance, operation or repairs;

(d) The repairing, restoring or rebuilding of any school building damaged, injured, or destroyed by fire or other public calamity;

(e) The supplying of school buildings and grounds with furniture, equipment or necessary apparatus of a permanent nature;

(f) The permanent improvement of the school grounds.

All of the foregoing purposes enumerated herein are hereby united and shall be voted upon as one single proposition.

Said bonds proposed to be issued and sold shall bear interest at a rate of not exceeding five per cent per annum; payable annually for the first year the bonds have to run, and semi-annually thereafter.

The number of years the bonds, or any series thereof, are to run shall not exceed twenty-five (25) years from the date thereof or the date of such series thereof.

For the purpose of holding said election, the School District shall be and it is hereby divided into six Bond Election Precincts, numbered from 1 to 6 consecutively, as hereinafter described; and the persons hereinafter named being competent and qualified electors of said School District, and of their respective Bond Election Precincts, are hereby appointed officers of election, as hereinafter designated, to serve in their respective Bond Election Precincts, as hereinafter set forth; and said officers of Election shall conduct said election and make return thereof pursuant to law.

The voting precincts, polling places and election officers, duly designated and appointed, are as follows:

BOND ELECTION PRECINCT NO. 1

BOND ELECTION PRECINCT NO. 1 shall include all the area embraced within the exterior boundaries of San Bernardino County Election Precincts "Upland 5, 10, 11 and 12", within the Upland School District of San Bernardino County.

THE POLLING PLACE THEREIN shall be at the Girl Scout House at 388 North Third Avenue, Upland, California, within said Bond Election Precinct No. 1.

OFFICERS OF ELECTION for said Bond Election Precinct No. 1: Inspector: Pauline Scott, Judge: Nellie G. Engle, Judge: Isabelle Wisely

BOND ELECTION PRECINCT NO. 2

BOND ELECTION PRECINCT NO. 2 shall include all the area embraced within the exterior boundaries of San Bernardino County Election Precincts "Upland 3, 6, 7, 16 and 21" and the area embraced within that portion of San Bernardino County Election Precinct "Upland 4" within the Upland School District of San Bernardino County.

THE POLLING PLACE THEREIN shall be the Gymnasium of the Upland Junior High School at 444 East 11th Street, Upland, California, within said Bond Election Precinct No. 2.

OFFICERS OF ELECTION for said Bond Election Precinct No. 2: Inspector: Ella Mary D. Wood, Judge: Margaret Hawkins, Judge: Catherine M. Karch

BOND ELECTION PRECINCT NO. 3

BOND ELECTION PRECINCT NO. 3 shall include all the area embraced within the exterior boundaries of San Bernardino County Election Precincts "Upland 18 and 27" and the area embraced within that portion of San Bernardino County Election Precinct "Upland 2" within the Upland School District of San Bernardino County.

THE POLLING PLACE THEREIN shall be the Multi-Purpose Room of the Sierra Vista School Building at 253 East 14th Street, Upland, California, within the said Bond Election Precinct No. 3.

OFFICERS OF ELECTION for said Bond Election Precinct No. 3: Inspector: Beatrice W. Jenison, Judge: Orsula L. Hanna, Judge: Diana C. Bowman

BOND ELECTION PRECINCT NO. 4

BOND ELECTION PRECINCT NO. 4 shall include all the area embraced within the exterior boundaries of San Bernardino County Election Precincts "San Antonio 1 and 3" and the area embraced within those portions of San Bernardino County Election Precincts "Upland 1 and 25" and "Alta Loma 4" within the Upland School District of San Bernardino County.

THE POLLING PLACE THEREIN shall be the Twenty-Fourth Street Ranger Station at 2413 North Euclid Avenue, Upland, California, within said Bond Election Precinct No. 4.

OFFICERS OF ELECTION for said Bond Election Precinct No. 4: Inspector: Wilma Van Ornam, Judge: Jolea W. Cameron, Judge: Exie Jean Warner

BOND ELECTION PRECINCT NO. 5

BOND ELECTION PRECINCT NO. 5 shall include all the area embraced within the exterior boundaries of San Bernardino County Election Precincts "Upland 8, 19, 22, 26" and "San Antonio 2" within the Upland School District of San Bernardino County.

THE POLLING PLACE THEREIN shall be the Kindergarten Room No. 2 of the Baldy View Elementary School at 979 West 11th St., Upland, California, within said Bond Election Precinct No. 5.

OFFICERS OF ELECTION for said Bond Election Precinct No. 5: Inspector: Barbara Cherbak, Judge: Margaret Dulaney, Judge: Irene Harmon

BOND ELECTION PRECINCT NO. 6

BOND ELCTION PRECINCT NO. 6 shall include all the area embraced within the exterior boundaries of San Bernardino County Election Precincts "Upland 9, 14 and 23" and the area embraced within that portion of San Bernardino County Election Precinct "Upland 20" within the Upland School District of San Bernardino County.

THE POLLING PLACE THEREIN shall be the Board of Directors Room of the San Antonio Water Company Office at 139 North Euclid Avenue, Upland, California, within said Bond Election Precinct No. 6.

OFFICERS OF ELECTION for said Bond Election Precinct No. 6: Inspector: Dorothy Santolucito, Judge: Florence R. Cromer, Judge: Irene E. Lynch

Each qualified elector of said Upland School District shall be entitled to vote only in the School District Bond Election Precinct of which he is a resident.

IN WITNESS WHEREOF, we have hereunto set our hands this 13th day of September, 1960.

NEWLY ELECTED OFFICERS of the Chaffey College Secretarial Club from left to right, Blanche Chanel, Barstow, treasurer; Marie Monastrere, Ontario, secretary; Judy Adams, Upland, vice president; Fay Davies, Indio, president; Carol Hammons, Thermal, publicity chairman and Jackie Maddaleno, Ontario, social chairman. The Club attended the Royal Ballet at the Shrine Auditorium in Los Angeles, Nov. 19, and will hold an installation dinner at the St. Charles on Nov. 22.

Benefit Game For Injured Player Set

Le Roy Thompson, Chaffey College football star injured in an auto accident, will be the principal beneficiary of funds raised through the annual Alumni basketball game Nov. 23.

The game will be played at the Chaffey College Gym with a one dollar donation set for those attending.

A dance will follow the game with all the money collected to be added to the sum to be given to Thompson.

Many former Chaffey basketball stars will be on hand to participate in the game which is always a highly-spirited fray.

Coaching duties for the alumni will be handled by one of the past letterman while Coach Barney Newlee will be in charge of the present crop of hoopsters.

NEW CHAFFEY COLLEGE library display, loaned to the college by art professor Robert Fleck, features a display of Indian arts and artifacts, librarian George Elser announced this week. Display is open to the public.

Jupiter's gravity is so much greater than earth's that a spaceman trying to walk on the planet would be crushed by his own weight.

Red Cross Entertains At Hospital

Patients at Norton Air Force Base hospital were recently entertained at the regular monthly party sponsored by the West San Bernardino County Chapter of the American Red Cross, according to Mrs. Clarence Lankford, chairman of canteen services.

Refreshments were served by Mrs. Wilbur Rowlands, Mrs. Ulysses Lee and Mrs. Turner Kemp. Offering entertainment were two guitarists from the Harris School of Music in Ontario, Tom Hendricks and Manuel Rodriguez. Hendricks is from Cucamonga, Rodriguez from Chino.

RC Chapter Names Man To Board

Alfred Horrer, vice president and manager of Ontario Branch Number 70, Bank of America, has been appointed to the board of directors of County Chapter American Red Cross.

Horrer's appointment was approved at the recent regular monthly board of directors meeting, according to Alan E. Swinler, chapter chairman. The new board member will fill the vacancy created by the recent resignation of Miss Jessie Glass.

Married and the father of two teen age daughters, Horrer has had previous Red Cross experience, having served on the ARC board in Los Banos, Calif., during 1953-54.

At the same board meeting an announcement was made of the December Certification Ceremony for the chapter's new volunteers. Board members, their wives and friends were invited by Mrs. Forbes Mellon, chairman of volunteer services. The loyalty oath will be administered to the volunteers at the same meeting.

Board members were also invited to attend the Red Cross State Conference at Disneyland, Jan. 12-14. Extending the invitation was Mrs. Frances Palmer, executive director.

Reports were heard from Junior Red Cross and from a San Bernardino County Chapter Consolidation Study Group.
